

## EXCURSIONES: TREKKING FULL DAY (ARENALES HILL)

In the Frontal mountain range of Los Andes, you will see Cordón del Plata , one of the most privileged areas in Mendoza for the practice of this activity. There, you will be able to appreciate the native flora and fauna with the presence of streams and other geological aspects of the place.

We will leave in the morning for our base to begin our experience. Once we are all ready , we will prepare the necessary equipment and leave for the base of Arenales Hill , 2160 metre Beginning the descent, we will stop for a light lunch, continuing to the Quebrada Waterfall. Without doubt, a different and unique experience to enjoy the beautiful mountain landscapes.

Above sea level. The ascent will take us 2 hours to the top, where we will enjoy an unparalleled view of Mendoza River, Potrerillos dam , Cordón del Plata, Tupungato Volcano (6500 metres above sea level) and Mendoza City .
