# CITY AND SURROUNDINGS

This circuit is designed for those people who are visiting the province , enjoy a modern city illustrated by its huge trees , ditches and its outstanding cleanliness in each of its sites to visit. The tour begins in Mendoza ´s Foundational Area, the heart of the historic centre of the Old City. Then we will go to the New City, where we will visit the different squares and the civic centre , where you will find the Los Andes Army Flag , the maximum symbol of the Liberating Gesta and the first independent flag of South America. We continue our tour towards the General San Martin Park, known as the lung of the city. It currently covers 307 cultivated hectares , 17 kilometres of route and 82 hectares of expansion. In the park we will be able to appreciate different water fountains of delicate manufacture with different sizes and forms, framed by an exuberant vegetation. We will finish our tour at Cerro de la Gloria, where the historical monument to the Andes Army is located , which pays homage to the successful campaign for freedom.
