CATENA INFLUENCE

On this tour we will visit the renowned Catena Zapata winery and one of the wineries most closely linked to the family: Caro, and Casa Vigil: El Enemigo.

CARO

CARO is the result of the partnership between Domaines Barons de Rothschild (Lafite) and the Catena family. Their project consists of making unique wines from the union of two cultures (French and Argentine) and two grape varieties (Malbec and Cabernet Sauvignon). We will visit the cellar and taste one of their classic wines.

CATENA ZAPATA

The Catena Zapata family, with three generations dedicated to winemaking, has achieved through its history to position itself among the best. It has received repeated +90 scores in the evaluations of Robert Parker and Stephen Tanzer, standing out in the most prestigious markets of the great wines of the world.

CASA VIGIL: EL ENEMIGO

Alejandro Vigil was recruited by Nicolás Catena to lead the winery's research team. He has been Chief Winemaker at Bodega Catena Zapata for the last 16 years. "Casa Vigil, the divine winery" is the personal project of Alejandro Vigil, who welcomes us and shows us around his land and winery. Here we will have lunch. Alejandro has the highest rating ever given to a pure Cabernet Franc wine by Robert Parker The Wine Advocate, awarded to El Gran Enemigo Cabernet Franc from Gualtallary, Mendoza. Return to the hotel in the afternoon.
